I have problems at home, too. My mother and I don't get along well. She sometimes says I'm a little heavy. I know she hopes I can look nicer. But I feel unhappy when she says so. And my father often asks me to do much homework and doesn't let me go out even on weekends. I have to stay at home just because I am his daughter.

Please help me, I really need your help.

Mary

Mary,

Thanks for writing. If you want to make more friends, you can go to parties more often. Don't keep yourself in a small circle (圈子). You should talk to others first. It's very important to learn to speak first. Most children like friends who are outgoing.
