22. 【答案】 Dear Michael

I'm glad to hear that you are going to travel to Guangzhou next week. Now I would like to tell you something about Guangzhou.

Guangzhou, the capital of Guangdong Province, is one of the most biggest cities in south China. It is hot in summer while not too cold in winter. Guangzhou is called the Flower City, which is also famous for varieties of delicious Cantonese food. Besides, there are many places of interest, such as Canton Tower and Baiyun Mountain. If you enjoy doing shopping, it is a good idea to go to Tianhe Shopping Mall, in which you can buy lots of things you want.

I believe you will have a good time in Guangzhou.

Yours,

Li Hua
