书面表达

17. 【答案】Dear Sir/Madam,

I am Li Hua, a senior 3 student. I am interested in your program of the educational travel posted on the Internet. I am writing to if you can provide me with some further information about it.

First of all, I am eager to know which cities and which universities are included in your itinerary. It will be wonderful if New York City and Harvard University are both among the places to visit. In addition, could you be kind to tell me what activities we will participate in apart from visits? Frankly speaking, what deserve my special attention is the total cost of this educational travel, airfare and accommodation included.

Thank you very much for your time and your early reply to this letter will be highly appreciated.

Yours faithfully,

Li Hua
