Everyone has his own dream. I want to be a good doctor. The reason is that some doctors saved my life after I was badly hurt in a traffic accident. I was deeply moved by their medical skills. From then on, to be a doctor in the future has always been my dream.

Everyone can realize his dream. I think the first thing I will do is to remember what my dream is. I won't let it leave my mind. I will also keep telling myself what I want every day. What's more, I will never give up. Though there may be difficulties on the road to my dream, I will always feel confident and work hard.

M: Excuse me, which is the way to the National Library?

W: You can take the No. 12 bus.

M: Thanks.

W: You're welcome.

**请听一段对话，完成第 8 至第 9 小题。**

M: Hello, Jane. How are you these days?

W: Hi, Tom. I'm busy with my final exam.

M: I see. It's normal that we are busy at the end of the term.

W: Take it easy. Why not join an English club to practice speaking English?

M: OK, I'll try it. Also I can't understand the teacher when she talks to the class.

W: Listening to more tapes will help you a lot. Remembering the words of English songs also helps a little.

M: Thank you very much.

W: You're welcome. I hope your English will improve soon.

**请听一段独白，完成第 14 至第 15 小题。**

Hello, everyone! I'd like to say something about westerners. Many westerners often talk about their families when they meet. They have very close relations so they like to talk about their families. However, it doesn't mean that every foreigner over 25 or 30 is married and has children. Some westerners never marry at all, and others marry quite late. So before asking questions about their families, look at people's hands to see if they are wearing a ring and which finger the ring is on. But some married women and men may not wear rings. So when you start a conversation with

either men or women about the family, it is much safer to use more general questions such as “Do you have a large family?” “Is your family with you here?”.

**三、听独白，根据所听到的独白内容和卡片上的提示词语，将所缺的关键信息填写在答题卡的相应位置上。独白你将听两遍。**

Good morning! Here is good news for you. The swimming pool next to our school is open tomorrow. The opening time is from 8:00 am to 9:30 pm. It costs 20 *yuan* to enter the pool. There is a special price—10 *yuan*, but you must bring your student card with you. You are not allowed to go there every day. On Mondays the pool is only open to mothers and babies, so they can enjoy a quiet time in the water. Please choose the right time if you go.

Thank you for listening.

听力测试到此结束，请同学们继续完成其它试题。
