Hi! Tom,

I'm glad to hear from you. I admire Li Hua most in my class. He is tall and strong. He has big eyes and short hair. He likes to smile when he speaks. I admire him because he plays basketball very well. Our class basketball team was No. 1 in our school last term. Besides, he is friendly and he gets on well with his classmates. Everyone likes him. I hope that I can do as well as he does in the future.

This is Li Hua. Do you want to know him?

Yours,

We need excellent students who know how to plan their time well. Good grades are necessary. We can pay you, depending on your work, but don't expect to get rich. This isn't something you do for the money. Mostly it's just for fun. Anyone who is interested in this job should speak to me immediately after this meeting. Be prepared to start right now. The first issue of

the newspaper shall come out next Monday.

W: Actually, two things. First, the food shop makes too much smoke. It's bad for our health.

M: Too much smoke.

W: Yes.

M: Right, I got that. And the second problem?

W: The music in the shop is so loud that I can't do my homework carefully. It opens until late into the night. Sometimes I can't fall asleep because of the loud music.

M: Got it. Where do you live?

W: I live in East Street.

M: Okay. We'll look into it and call you back.

W: Thank you. Bye.
