Dear Mike,

I'm glad to hear from you. I would like to tell you who I want to thank most. That is Ms. Wang.

Ms. Wang is my English teacher. She is kind and friendly. She is not only our teacher but also our friend. In class, she teaches us how to learn English well. While after class, she talks with us about her favorite pop stars happily. She is also hardworking. She always makes her class so interesting that I like to have her class a lot. What's more, she is patient. If I have some problems with English study, she will explain them to me again and again. Till I can solve them on my own. Little by little, my English has made much progress. So I thank her very much.

Soon, I will leave this school, I think I will remember her forever.

Good morning, everyone. Welcome to Theme park. First, you can take a free open-air bus to **Animal Corner**, our small and special zoo. Enjoy the cute monkeys and take a camel ride. This part of the park is suitable for all the family.

Leave Animal Corner and walk to your right. Here you will find the **Egyptian Palace**. Climb the towers to see a view of the park. Enjoy the wonderful examples of Egyptian art and painting. Imagine you are an Egyptian king. When you have finished in the palace, leave by the back entrance and you have a choice of two directions. Just opposite is **the West**, the street of a 19th century American town. Go into the bank, hotel and doctor's office. The restaurant has **real food**, and you can **enjoy a tasty hamburger** before moving on. At 12 noon every day you can watch an exciting gunfight in the street.

If you aren't ready for the West, turn to your left for **Lake Adventure** where you can go on a boat. On the other side of the lake, there is **the Market of the East**, a wonderful place to buy presents for all your friends.

Go on to the next and final stop to visit **Fright Town**. You'll be afraid of all the strange noises and terrible sights! The bus will then return you to the Entrance.
