Hi! Emily,

I'm glad to hear from you.

I have changed a lot since I became a middle school student. Linda is the person who has changed me.

I did not like running. One day we had a relay race in P.E. class. I hesitated about whether to join in the game or not. Linda came to me and told me not to worry. Then I decided to join them. While running, I could hear my heart beating fast and I could hardly breathe. Just when I wanted to give up, I heard someone cheering on me and found that it was Linda. I regained my strength and kept running to the finishing line.

With Linda's encouragement and trust, I practiced running every day after school from then on. It is she who makes me believe that I have the ability to challenge myself to do something beyond my reach.

Yours,

Li Hua

M: OK. No problem.

请听一段对话，完成第 8 至第 9 小题。

W: Wow! That's good. Did you both join the library?

M: Not yet. It is free, but we didn't take our student cards.

W: Where is it?

W: OK! I see. Maybe we can go there together this weekend.

请听一段独白，完成第 14 至第 15 小题。

Welcome to Boston Cooking School. A group of children spend Saturdays learning the art of serious cooking here. Our weekly lessons are so popular that there is a waiting list of 30 children who want to do the course. Parents pay \$280 for the course where their children can have fun and learn how to make good food.

Class member Bill says he loves his mum's cooking and now he can do it better than her. The teachers make the children laugh, especially when they sit down to share the food they've made.

Lucy is twelve. She says she loves cooking. She cooked a meal for ten friends which they really enjoyed. Then Mum suggested she take up a hobby. She's really glad that she came.

Our teacher, Mrs. Brown, says that it's great fun. Children pay attention and remember things well, although the kitchen is messy when they're cooking! If parents interest their children in cooking when they are young, they'll have enough skills to make food for themselves when they leave home.

A good cooking course is exactly what you need to bring you our food game. Just make sure that you are ready to start experiencing some of the best cooking courses Boston offers. Come and join us.

W: That's right. Which day of the week is it on?

M: On Sunday of the first week.

W: OK, thanks. What time does it begin?

M: It starts at 7:00 pm and ends at about 11:00 at night.

W: And which band will play this year?

M: A new band called Bluesky. You spell that B-L-U-E-S-K-Y.

W: I've never heard of it.

M: Well, their music sounds fantastic! You'll see on that day.

W: Good! And it's said that a lot of special festival T-shirts will be offered. Is that right?

M: Yes. They look really great.

W: How much are they?

M: You can get a T-shirt for free after you buy a ticket. We're also selling festival flags this

year.

W: OK. And what's the best way to get there? By car?

M: No, coming by bus is better. I can email you some more information if you want.

W: That's very kind of you.
