W: Yes. Is there a bookstore near here?

M: Yes, there is one on the market street.

M: Hey, Alice. When you leave, you'd better turn off the lights. It saves electricity.

W: Oh, I know. I usually do that. I was just in a hurry. Why are you so interested in the environment, Sam?

M: I always have been. Lots of people think there's nothing they can do, but I just read this book about it, and there are lots of things people can do.

W: Like what?

M: Well, it says you should turn off the shower when you're washing your hair.

W: Oh, I'd never do that!

M: You wouldn't?

W: No, I have very short hair. I'm only in the shower for a few minutes.

M: Well, every minute helps.

W: What else does it say?

M: It says you should take your own bags when you go shopping.

W: Oh, that's not very difficult. I can do that. What else?

M: Hmm. Here's a good one. It says people should ride bikes instead of driving cars.

W: Oh, I'll never do that! How can I ride 45 minutes to and from the company every day?

M: Well, I think the environment is really important. Besides, I like riding my bike.

W: Yes, and you also live close to the company!

请听一段独白，完成第 14 至第 15 小题。

M: Good morning, boys and girls. Welcome to our sports camp. Before you are divided into groups, I'd like to give you some information about the plans for this week. During your time here, you'll play at least 12 different sports. In the morning, there are plenty of programs, but you will have a choice for afternoon activities. Now, clothes. You can wear your sports suits for most sports, but you should remember to bring shorts and T-shirts each day as well, in case you need them. We do both outdoor sports and indoor activities. So please make sure that you have two pairs of sports shoes with you too. You are having lunch in the dining room between half past twelve and two o'clock. We also have a shopping center where you can buy drinks, chocolates and other snacks. But a word of warning, don't eat too much at that time, or you won't be able to run as fast as you can.
