Reading is a good hobby for all kinds of reasons.

First, reading books is fun. You can always keep yourself amused if you like reading. This is especially useful when the weather is bad. It is a relaxing hobby, too. You can really become lost in a book. You can learn about people, places and events outside your own experience.

Next, you can read a book almost anywhere: in a car, in a waiting room, on a plane, in bed—even in the bathroom. All you need is a book! Reading is a convenient hobby as it is easy to stop and then start again.

Another good reason for reading books is that it is useful. Everything you read fills your head with new bits of information, and you never know when you might need it. If you read as a hobby you will get better and better at it. This means that you will read faster and will become better at understanding what you read.
