11 范文 :

I come from China and I am having summer courses in England. But I have met some difficulties in the school life abroad, so I am writing to ask for some help. Firstly, I don't know how to borrow books from the library. Do I have to pay for that? Secondly, I couldn't find the right way to get access to the school Internet. Thirdly, I wonder where to find the information of all courses. I would be very thankful for your help if you could tell the ways.
