六、阅读理解

15 Most English people have three names: a first name, a middle name and the family name. Their family name comes last. For example, my full name is Jim Allan Green. Green is my family name. My parents gave me both of my other names.

People don't use their middle names very much. So "John Henry Brown" is usually called "John Brown". People never use Mr., Mrs. Or Miss before their first names. So you can say John

Brown, or Mr. Brown, but you should never say Mr. John. They use Mr., Mrs. Or Miss with the family name but never with the first name.

Sometimes people ask me about my name. "When you were born, why did your parent call you Jim? " they ask. "Why did they choose that name? " The answer is they don't call Jim. They call me James. James was the name of my grandfather. In England, people usually call me Jim for short. That's because it is shorter and easier than James.
