Dear diary,

I went to the Guangdong Museum with my schoolmates to do some voluntary work today. Students from three grades **took part in it** and **worked as different roles**. Students of Grade Seven worked as guides who took visitors to different rooms. And those of Grade Eight played a short opera, **introducing Guangzhou history to tourists**. **As for** students of Grade Nine, they made beautiful posters which helped people know Lingnan Culture better.

In my opinion, **it is of great help to hold such activities**. **On one hand**, it is a good chance for us students to develop **a sense of responsibility** as well as our work ability. **On the other hand**, the history and culture can be passed on **from one generation to another**.
