We love obento(便当)!

It's time for lunch! Today we have obento. In fact, "obento" is a word for lunch in Japanese. It's tasty(美味的), healthy and eye-catching.

There are some interesting rules in an obento. First, rice is separated from the other dishes(菜). Thus the rice won't pick up any other flavors(味道). Besides,¹⁰² there is the main dish and the two side dishes. The main dish can be anything from dumplings, to fried chicken, to fish. And the side dish can be anything, like salad.

During obento making, you must learn to ¹⁰³ combine(混合) the food colours of red, yellow, and green. The red food will make people feel hungry(饥饿的), the yellow food is usually healthy, and the green food is full of vitamins(维生素). So if you can combine these colours well, you can make a good obento.

Nowadays the obento plays a great part in Japanese life. When a class goes for an outing, ¹⁰⁴ all the students will bring their mom-made obento. You see, the obento is always filled with love, just as a mother said, "I remember my mother making obento for me. Now I make obento for my daughter every day. Hopefully, ¹⁰⁵ she'll make obento for her children too, with the same love."

101. What does the underlined word separated mean?

- A. 合并 B. 分开 C. 结合 D. 搅拌

102. How many dishes are there in an obento?

- A. 2. B. 3. C. 4. D. 5.

103. Which colors are good for an obento?

- A. red, yellow, and blue B. red, orange, and green
- C. yellow, green, and red D. white, yellow, and green

34. What can we learn from the last paragraph?
 A. The obento plays a great part in Japanese life at present.
 B. When a class goes for an outing, no student will bring their mom-made obento.
 C. As a mother won't make obento for her children with delicious food.
 D. My daughter (目的) of the passage is to tell us that _____.

105. The purpose (目的) of the passage is to tell us that _____.
 A. the main dish of the obento can be anything.
 B. the real food will make people feel hungry.
 C. we can make a good obento for family members.
 D. we should make obento with the three colours.
