Hello everyone. I am Li Hua. It is my pleasure to announce our top three best – loved programs.

The first program is Health Station which is hosted by Li Yun. It provide the students with some advice on study and healthy diets according to the letters from them. The reason why the students love the program is that the advice is helpful to them. Besides, Reading for Fun is also popular among our students. The host is Liu Mei who introduces some English novels to us like The Gifts. In this program, students can learn more about foreign cultures. The third program hosted by Huang Hai is Humorous Moment. It shares some funny stories from all over the world. We like it because it can make us happy and relaxed.

Congratulations to the hosts of these programs! Thank you for listening and enjoy your lunch break.
