38 Good Morning, dear classmates!

Today, I am here to tell you that I want to be the PE monitor. I feel very proud and very nervous. Actually, I am capable of being the P.E. monitor. I am strong and healthy. I run very fast. I won the first prize in the running race. I play most ball-games, especially football. I am good at it. Besides, I was chosen as a basketball player in the school team. I always try my best to get the best score in every match.

If I were the P.E. monitor. I will give up the shortcomings of the past, but also more efforts to learn, for the best results.
