China is a big country with all kinds of unique handicrafts. I would like to introduce some of them. Dough toy is a toy made by dough. Commonly, it is made into shape of a famous person or an animal, which is rich in color. What's more, Chinese ink-wash painting which has different colors such as white and black, was made for performing natural scenery, plant or human being. Moreover, sugar painting which is yellow normally, is beautiful as well as delicious. Furthermore, paper cutting, a type of handicraft made of only paper and by scissors. It colors windows and doors during Chinese Spring Festival.
