Dear Chairman,

I want to be a member of Love Club in our school. I'm very healthy and I do well in all my studies. I'm getting along well with my classmates. I like to give a hand to anyone who needs help. I'm ready to face any difficulties at any time and try my best to work them out. I hope Love Club will accept me. And I can improve myself and become more excellent in the club. In some way I can do more helpful things for our school.
