1 Good morning, class. I'd like to tell you something about my weekend activities. On weekends I usually have a lot of homework to do. My mother is always busy doing housework, so I also help her do some housework. Sometimes I go shopping with my mother. I feel bored and tired. But I had a happy time last weekend. I visited my grandparents in the countryside with my parents. My grandparents have a big farm. It was so interesting to feed chickens. I also helped to pick some apples. I felt happy and relaxed.

That's all. Thanks for listening.
