There are over 800 boarding (寄宿) schools in the UK with students from home and some other countries.

Boarding schools started hundreds of years ago in the country. But the earliest boarding schools were only for white, rich boys. Now both boys and girls can go to boarding schools from the age of 7 to 18.

What to Do

Most boarding schools have a "light out" time. So when it's time to go to bed, all the lights in the bedrooms are turned off. There are house masters to take care of students all the time, especially after school hours.

What to Wear

Nearly all students at boarding schools wear a school uniform. Boys usually wear a shirt and a tie, and girls wear a white blouse, sometimes also a tie and a skirt. As students get older, the rules become less (较少) strict.

_____ In the UK, boarding schools provide (提供) students with delicious food. They can choose (选择) to have a full English breakfast or simply bread. They can also choose between a meal with no meat and another meal at lunch and dinner. And there is always self-service for salad, other side dishes and a dessert.
