27 How are you? I am pleased to introduce our school to you. There are 4500 students and 70 classes in our school, It's one of the key school in the province. The teachers teach well and the students study hard. Every year more than 80% of the senior students are able to go to universities and colleges. A lot of green trees and red flowers grow everywhere in the school and among them stand the office buildings and teaching buildings. It's really a good palce for students to study in. I love it very much. Wlcome to our school.

Best wishes!
