1 Dear Tom.

Welcome to my home. I'm looking forward to your coming. Now let me tell you something about my family.

There are three people in my family, my father, my mother and me. My father is a driver and my mother is a nurse. We live a busy but happy life. We usually have breakfast and dinner together. When we have time, we often talk with each other. But sometimes they are strict with me. For example, I have to go to bed before ten every night. At the weekends, we often visit my grandparents. Sometimes we go shopping together or have a short trip.

I love my family and I am sure we will have a good time together.

Yours,
Li Ming
