Winter is the season that comes 1 autumn and before spring. Winter is usually the coldest time of a year and in some places, it brings cold, snow and ice. Here are some 2 ways to tell that it's winter.

The days are shorter and the nights are longer than any other season. December 21<sup>st</sup> is the 3 day of winter, because it is the shortest day of the whole year!

The sun light doesn't feel hot in winter. Winter is a wet season, 4 lots of rain or snow. Winter brings changes to people, animals and plants.

Trees and plants often go dormant ( like they're sleeping ) or go away, so when you look outside, you'll see 5 brown than green. There 6 no leaves on most of the trees.

Some animals hibernate ( 冬眠 ) , others keep food in autumn 7 in winter when 8 is difficult to find food. In winter some animals don't eat 9 same food as in the other seasons. Many birds fly from the north 10 warmer places for the winter. This is called migration.

三、阅读理解 ( 每小题2分 , 共30分 )

1

Let's enjoy a movie

Zootopia	
From a large elephant to a small mouse, animals live happily together in Disney's Zootopia.	
Language: English	
Running Time: 1 Hour and 30 Minutes	
Price: Weekdays— \$ 50	\$ 25 ( children under 6 )
Weekends— \$ 60	\$ 30 ( children under 6 )

I've never imagined the movie is so interesting. There are 64 kinds of animals in it. After watched the movies, I learned more about animals. I would highly recommend this movie to those animal lovers.

—John

I have seen many cartoons of this kind, but this one is surprisingly funny and I love the sweet voice in it. My brother and I just couldn't help laughing from the beginning to the end.

—David

This movie is so well made. I went to see it with my 5-year-old son last Sunday afternoon. I love the beautiful music while my son loves the rabbit police officer Judy very much. It shows that small animals like her can also do serious work.

—Nancy

3 The word "Cool" is very popular. It means being a little cold in the old days, but now the word has many different meanings.

We can use "Cool" to express feelings of interest in almost anything. When you see a famous car in the street, maybe you will say, "It's cool." You may think, "He's so cool," when you see your favourite footballer.

You can use it instead of (代替) many words such as "new" or "surprising". Here's an interesting story. A teacher asked her students to write about the waterfall (瀑布). On one student's paper was just the one sentence, "It's so cool." Maybe he thought it was the best way to show what he saw and felt.

But the story also shows a scarcity (缺乏) of words. Without "cool", some people have no words to show the same meaning. Can you think of many other words to make your life as colorful as the word "cool"? I can. And I think they are also very cool.

- ( 1 ) We know that the word "cool" has had \_\_\_\_\_ .
- A. only one meaning                                  B. no meanings  
C. many different meanings                          D. the same meaning
- ( 2 ) What is NOT the meaning of "cool"?
- A. new    B. stupid    C. a little cold    D. surprising
- ( 3 ) If you are \_\_\_\_\_ something, you may say, "It's cool."
- A. interested in                                  B. angry about                                  C. afraid of    D. unhappy with
- ( 4 ) What did the student write about in the story?
- A. A famous car    B. His favorite footballer  
C. The waterfall    D. A good book
- ( 5 ) What is the main idea of the last paragraph?
- A. We can use "cool" instead of many words.  
B. The "cool" can make our life colorful.  
C. "cool" is a word with many different meanings.  
D. We should enlarge ( 扩大 ) our vocabulary.
