My Favorite Photo

I've taken hundreds of photos during the past three years, but the one taken in the800meter race in the school sports meeting in Grade 8 is the most valuable for me.

It was a cool and sunny day. U1 he race seemed easy and relaxing at the beginning. When it came to the second round, I felt like there was a heavy weight on my legs. I was running out of energy and the finishing line seemed far away.I was thinking about giving up when my classmates and teachers started to cheer me on.I smiled and kept on to the end. I didn't end up the first, but the cheers and encouragement from my class that day always stayed in my mind.

Soon I'm going to say goodbye to all my classmates and teachers. but this photo and the story behind it will be a sweet memory forever.

My music robot

Good morning, everyone!

Here, Is d like to introduce the music robot my father bought online.

It is small, so you can even carry it in your backpack. After you connect it to the Internet and speak to it, it can provide different kinds of services. For example, you just say Ding Dong, I want to listen to boys songs,and it will play their songs immediately.You can also ask it about weather or even your problems in study. Besides, it can remind you of important dates and so on.

I am so amazed at my music robot because it makes my life more enjoyable and convenient. I really love it.
