NOTICE

Fellow students,

I'm Li Hua, President of the student Union. In order to better cooperate with our school's waste-free school activities. The student union decided to invite Mr. Wang to give lectures at school. Let's me give you a brief introduction.

The theme is about how to classify garbage. There are many problems in the process of garbage classification. Such as harmful garbage and recyclable garbage.

The program is of great benefit. It can make our school better and help the health of teachers and students. The lecture will be on 4:00—5:30 pm.

The Students' Union
