九、书面表达

32 They are created by Chinese, and made of paper and bamboo. At first, it was used to war. But later it is made for entertainment. It become more and more popular as time passes by. When the weather is fine, kids often fly kites in the playground. Kites are usually made into different shapes, such as birds, fish. It is the Beijing, Tianjing, Shangdong that make the best kites. When it comes to the kite, I think Chinese people are creative and I admire the kite very much.
