21 On the one hand, it is conducive to maintaining good physical condition, while on the other hand, it also helps to cultivate a sense of social responsibility. However, nowadays students do less and less exercise. There are two suggestions for strengthening labour. Firstly, we can do more housework, such as mopping the floor and tidying the room at home to reduce the burden on parents. Secondly, when cleaning the in school, we should take the initiative to clean the glass and pouring out the garbage to create a neat environment.
