21 Guangzhou is a beautiful city, which is full of traditional culture. Visiting Flowers Market is one of the traditions in Guangzhou. Now let me introduce it to you.

People in Guangzhou like to visit the Flower Market before the Spring Festival. Different districts has different places. The most famous Flower Market lies in Xihu Road. You can enjoy different kinds of flowers there. If you like, you can also buy some. Besides flowers, you will also taste a lot of traditional snacks. Along the street, you can also enjoy the beauty of different lanterns and lights.

I like visiting the Flower Market because it is a good way for people to get together and communicate with each other. When you are there, you will have a strong feeling that the New Year is coming. China has much traditional culture. It's our duty to spread our traditional culture to the world and let others learn more about China.
