21 Dear Alice,

I am glad that you are interested in learning more about Chinese traditional festivals. Now let me first tell you something about dragon Boat Festival.

Dragon Boat Festival is one of the most important Chinese traditional festivals. It is on May fifth in Chinese lunar calendar. Dragon Boat Festival has a long history, which is in honour of the great ancient Chinese poet Qu Yuan. There are a variety of activities held to celebrate the day, among which dragon boat race and eating zongzi enjoy the greatest popularity.

There are many traditional festivals in China, such as Spring Festival and Mid-Autumn Festival. Festivals play such an important part in Chinese culture that it is our duty to respect the traditions. Only with everyone's joint effort can we pass the gorgeous Chinese traditional culture down to the next generation.

I hope you will have a chance to visit China and experience Chinese traditional festivals.

Yours,
Li Hua
