Subject: Please forgive me

Hi Candy,

I am really sorry for what I said this afternoon. I am happy to know that Charles and you can get into your favourite secondary schools. But I also felt upset because the three of us are not going to go to the same secondary school.

I have been in the same school with you two since we were in Primary 1. I still remember that I had no one to play with and I felt lonely on the first week of school. You asked me to play with you and Charles and the three of us have been friends since then.

I am worried that I will have no one to talk to when I get into my secondary school. I got too worried and I said something unkind to you. I am really sorry for that. Would you forgive me? I will try to accept things that I cannot change. I hope all of us will make new friends at our secondary schools. I will join some school clubs to meet more schoolmates. I will miss playing with you and I hope we can still meet one another in the future. I am already looking forward to it.

Cheers,

Sarah
