55. What is the last paragraph about?

A. What it meant to feel festive.

B. How to decorate houses on Halloween.

C. How people celebrated Halloween this year.

B

Thinking about starting a club? It's a great way to meet people with similar interests, do an activity you enjoy, learn more about an activity you're interested in. But what are good clubs to start in high school?

There are ten main kinds: eight subject area clubs, hobby clubs, and charity clubs. Subject

area clubs are clubs that come from an interest in a subject area taught in school such as art, drama, film, science, math, literature, history, and language. Hobby clubs are clubs that stem from an interest in a hobby that most likely wouldn't be taught in high school. Charity clubs are clubs that are linked to a specific charity with the goal of raising awareness, working for that charity, or raising money for that charity. Of course, you don't have to do all of these activities. You may do the simpler, smaller activities first before trying to plan one of the bigger activities.

When you start a club, you'll need to plan the first meeting to discuss(讨论) the rules and purpose of the club, board members, plan events and so on. You also need to think about what you enjoy doing. What is your favorite class? What are your hobbies? Do you have a new skill? It's likely that one or more of your answers can be developed into a club. Make sure to register (登记) your club with the school. You're now well on your way to running a successful and interesting new club!

56. What don't you think about in the first meeting to start a club?

A. Interests. B. Rules. C. Money.

57. What is the reason of starting charity clubs?

A. Raising the awareness.

B. Working and raising money for charity.

C. All of above.

58. What does the underlined word "running" mean?

A. 跑 B. 运营 C. 创办

59. Which of the following sentence is TRUE?

A. You can start a film club if your school may not offer any film classes.

B. Art, drama, film, science, math, culture, history, and language are subject area clubs.

C. The only reason you may want to start a club is to learn more about an activity.

60. What is the best title of the passage?

A. Some clubs to start in high school.

B. Why do you start a clubin high school?

C. What are good clubsin high school?

Are you often busy studying for the test? Are you nervous when a test is coming? Liu Haoxuan,14, who studies at Beijing Dayu School, is quite busy because final exams are just **around the corner**. However, he still has to find time to practice his spoken English. That's because he has to take a new English listening and speaking test.

Liu is not the only one to take the test. This is a new test for all junior middle school students in Beijing. Junior 3 students have to take this new test that is 40 points(分) on their full English exam. The test is taken on a computer. They can take the test twice—once in December and again in March—to try to get the highest score(分数) possible.

During the 30-minute test, students have to fill in blanks, answer questions and retell stories after listening. "It pushes us to speak. Though it was hard at the beginning, it's a good thing," Liu said. He got a low score when he first took it. But he kept working hard in order to get his pronunciation (发音) and other skills better. He practiced speaking in front of a mirror every day. Later, he got a score of 39 on the test.

Liu Tianyou, 14, from Beijing Yuying Middle School, has his own way to study for the spoken English test. He uses apps to take practice tests every day. "The apps will score for you so that you can get better," he said. "Also, the practice tests help me learn to take notes. They help me write down important words and sentences."

M：Really? Amanda. They must be cute，right?

W：Yeah! They are also interesting.

M：Would you like to show me a picture of them?

W：Of course，I'd love to.

M: Wow! Although they can't walk on four legs, they are so beautiful and cute.

W: What animals do you like?

M: I like all kinds of animals. But I like cats best.

W: Me too. My baby cats sleep all day. I always like watching them when I am free.

M: Do you have good names for them?

W: No, I don't. What about Lazy? Can you help me think about the names and join me for lunch?

M: Haha. Great idea! Let's meet at your home at half past ten tomorrow morning.

W: OK. See you then.
