34 Dear James,

How are you recently? I was so happy to read your last email telling me about your trip to Paris. I also like travelling. Every year, my parents take a trip with me. Last summer holiday, my parents and I went to Xiamen. We went there by train. It was sunny but a little hot.

On the first day, we went to the beach for a walk. The sky was blue and the river was clean. We lost ourselves in the beautiful view. After that we had a big meal in a seafood restaurant.

On the second day, we went shopping and bought many gifts. We had a wonderful/good time there.

People there were friendly and helpful. The trip to Xiamen was very tired, but I felt very happy. I'll never forget the trip.

Yours,

Li Hua
