21 Dear Sir or Madam,

Thanks for designing an APP for English writing. I'd like to share my ideas here. Could its name be "Writing May Be Easy"?

Many of us have difficulty in writing. We don't know how to organize ideas, use proper words and so on. I hope it can solve these problems.

Here is my advice on what the app does. First of all, it should provide some reading materials. The more we read, the better we write. What's more, the app should have an online course so that we can develop our writing skills. Last but not least, there should be an e-teacher who can not only correct mistakes but also offer suggestions. I hope my advice is worth taking.

Yours,  
Li Hua
