23 These days, there is a heated discussion about what kind of animals makes the best pets in our class. In my opinion, dogs make the best pets for the following reasons. To begin with, it is convenient and easy for us to feed dogs and take care of them. Second, dogs can bring their masters happiness and joy. Third, the dogs are so loyal that they are always patient to wait for their masters to come home at door. Last but not least, dogs can help masters take something they want with their mouth. In conclusion, I choose dogs as the best pet in the world. Our life becomes interesting because of them.
